

The Bradley Jenkin Memorial Fund

The Bradley Jenkin Memorial Fund enables MDANZ members with a neuromuscular condition to access opportunities and specialised resources.

This could be anything from exercise classes to keep fit, career development, modifications to your home or car, mobility or medical equipment, or travel costs.

What makes a good application?

The fund's panel is presented with a number of applications each round – so make yours count!

Think of your application as a CV – you need to sell yourself and your cause.

Provide as much detail as possible

- Why do you need this funding?
- How it will help you, or make a difference in your life?
- Ask your fieldworker for help with your application – they can also write a letter of support
- Cost evidence such as a quote or a receipt must be supplied with your application

Funds must be spent within three months.

For criteria, info and to apply, go to
